Direct Response Marketing**

Greetings from SMSIntegra Mobile Marketing & Advertising

SMSIntegra's '5667701.com' is a fast, flexible and affordable way of setting up and running SMS Text Messaging marketing and promotional campaigns.

It has been designed to be easy to use so that any organization, small or large, can quickly and confidently run campaigns in one of the fastest growth ways to connect with consumers and business customers, namely, Text Messaging.

- * Set up and run SMS Text Messaging marketing and promotional campaigns.
- * Customers respond to your adverts with short-codes and keywords.
- * You reply with info and offers to their mobile phone.
- * A quick, professional and affordable way to run SMS campaigns.
- * Operates from a user-friendly screen interface

It works in exactly the same way as major text messaging promotion campaigns do:

- * You advertise a short telephone number and a key word for your target customers to simply key into their mobile phone and send as a text message.
- * You set up automatic responses to that Text Message, such as:
Information about a product or a contact address
- * Your Text Message with the information they requested arrives on their mobile phone

The customers query can also be automatically forwarded to someone's mobile phone and email address so that they are promptly able to respond to the customer.

This is one of the most powerful and effective ways of contacting and being contacted by consumers and potential business customers available in the rapidly growing new mobile world.

SMSIntegra is a robust webservices platform which uses secure industry standard protocols and solid architecture to provide a scalable mobile marketing tool. Direct marketing and advertising using mobile short code & SMS Keyword
